This book will never be easy to start on looking at but quite entertaining to read. It is actually packed with wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.I m glad you picked up this book, for me as a boy Christmas was very different. As you will see for me there was no Santa Claus. It was the Three Kings that brought the toys and candies. In a cultured society that is rich in its Christian heritage. It only makes sense that the men, who brought gifts to Jesus today, bring presents to the children. This story is about the journey of the Magi. In the Bible Matthew 2 gives us the account of the Wise Men having reached their destination. Take a flight into imagination, as I wonder. Who are the three Kings? What were their lives like and the details of their voyage? This Christmas fantasy is an attempt to share my traditions with my children and you. Inside you will find some details into my religious upbringing. Information of how we prepared to receive The Three Kings. Here is little bit of the history into how this book came about and its sponsors and places of exhibition in the past. I will consider this book a success when you find yourself like me celebrating Epiphany. Perhaps you will dress up as one of the Three Kings on January 6th as I ve done. When you participate in a church dramatization to bring presents to Jesus and pass out candies to the children of your church. Perhaps you ll read Matthew 2 to the children and ask them what or parts of my story are biblical and what parts are my imaginations. Think of the fun that you will have bringing back to life what is a tradition in Puerto Rico, and in other countries....
