

Windows Vista Administration: The Definitive Guide

By Brian Culp

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Windows Vista Administration: The Definitive Guide, Brian Culp, Whether you're a system administrator responsible for hundreds of Windows clients, or a just a roomful of computers, this book will help you install, configure, and maintain Microsoft's newest OS. Written in jargon-free English that puts concepts in proper context, the book gives you a better understanding of Vista's innovations and capabilities, teaches you how to leverage Vista to increase worker productivity, and demonstrates how the system can best protect sensitive data. Best of all, "Windows Vista Administration: The Definitive Guide" is a problem-solving reference that lets you quickly access the solutions you need, and helps you unlock certain features to improve system performance - without forcing you to page through the entire book. In part, the book's topics include: A tour of what's new - including the Aero user interface, Sidebar, BitLocker Drive Encryption, Vista Search; An overview of all five versions of Windows Vista; Getting started - with workgroup networks, user profiles, VPN connections; Personalizing Vista - with virtual folders, Flip 3D, the new Control Panel; Working with software and hardware - such as installing printers, storage devices, software; Configuring...
