Brand New Book ***** Print on Demand *****.Excerpt from From Novice to Pilot: How to Run a Motor Boat To own a boat! To be its master, and, through it, to be a master of the sea! To roam, with confidence, over its expanse, in all its varying moods, whether it be laughing and seductive in the summer sunshine, with a gentle breeze rippling its smooth surface, or threatening in the lowering grayness which accompanies the hoarse roar of its wind-lashed waters! To have such knowledge that I could guide myself with safety during the darkness of the night! To be able to continue my course though the veil of its fogs closed about me! To see the many and varied sights of the sea! To enjoy the fierce combat with the forces of Nature! To visit without restraint the mysterious shores which, though lying near to us, are seldom trodden by the foot of man! To explore their coves, their crags, their glens, their beaches! And, above all, to come in contact with and experience the great good-fellowship, the open-heartedness, that pertains to, and seems to be a part of, the men who love the sea. These, and kindred thoughts, fill the minds of the majority of men as they gaze over the water and see the various craft gliding, or driving, as the case may be, from out the dimness, and on, into the dimness beyond. Yet to acquire the necessary knowledge without going through long years of experience has been, up to the present time, impossible to the amateur boat owner, excepting the few who have had the leisure and the means to place themselves in the hands of instructors. To...
