

## What Your Boss Never Told You: The Quick Start Guide for New Managers

By Gary C Winters

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 135 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you re a new manager (or are considering such a position), you ll want What Your Boss Never Told You, by Gary Winters, at your side. It s filled with practical suggestions and powerful insight about your new position. Most people are selected for management because of their outstanding technical skills, but as Winters points out, What got you to the party may get you shown to the door, if you don t learn to think (and act) like a leader. This book will kickstart your leadership development plan. The transition into management is challenging, and too many newly-promoted managers get little support making the shift. But if they search for a book on management, they ll find a staggering 600,000+ books currently available. How can you narrow that down? What Your Boss Never Told You is the best place to start. No textbook here - this book is short and sweet. It s designed to help you unpack your new job and be effective from the first day with your new team. It contains twenty-one chapters...
