Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Butler s Elementary Geography Butler s Elementary Geography is the introduction to the author s Complete Geography. It is designed as a preliminary treatise, and has been arranged especially for the use of pupils in the primary and intermediate grades. It has been the aim to make this a manual of object lessons, of reading, and of class exercises It has, therefore, been profusely illustrated with pictures, relief maps, and political maps. The illustrations are mainly by Misses Alice Barber and Agnes Watson, and Messrs. Lummis, Stephens, and Faber, - all of whom are widely known in connection with the illustration of children s literature. Every picture is an excellent object lesson. The text has been arranged to meet the desire which is now almost universal among teachers of geography, - a reading description supplemented by a review-lesson. A casual glance will show that the descriptive text may be used either as a reading-lesson or for topical recitation. When pupils are sufficiently mature, the latter method is recommended. The map questions are so arranged that...
