He presents here a group of essays examining the changes and weaknesses he has seen growing in American society over the past half century. Collins, Washington, DC, author and journalist, 5-12-2011 Bromwell Ault authors a unique book from an even more profound perspective. His four score years have given him a front row seat to the rise and demise of the United States of America. Whether this civilization understands its dilemma or not, Ault clearly identifies every aspect of America s current predicament. His compelling prose connected to basic realities renders an adroit understanding of what America faces and what actions her people must take if future generations expect to enjoy viable...
