SIMON SCHUSTER, United States, 1999. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. Nine New York Times bestsellers and more than twenty million books in print have affirmed Judith McNaught s stature as the reigning monarch of superb storytelling. Now, she creates breathtaking suspense and harrowing plot twists in her most masterful, enthralling novel yet. A policewoman in a small Florida community, Sloan Reynolds knows that her modest upbringing was a long way from the social whirl of Palm Beach, the world inhabited by her father and her sister, Paris. Total strangers to Sloan, they have never tried to contact her -- until a sudden invitation arrives, to meet them and indulge in the Palm Beach social season. A woman who values her investigative work more than a Dior dress, Sloan is unmoved by the long-overdue parental gesture. But when FBI agent Paul Richardson informs her that her father and his associates are suspected of fraud, conspiracy, and murder, Sloan agrees to enter into her father s life -- while hiding her true profession. Sloan s on top of her game until she meets Noah Maitland, a multinational corporate player and one of the FBI s prime suspects -- and finds herself powerfully attracted to him, against her deepest instincts. When a shocking murder shatters the seductive facade of the wealth and glamour surrounding her, Sloan must maneuver through a maze of deceit and passion, to find someone to trust -- and to decipher the truth behind those terrifying whispers in the dark.
