Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Not illustrated. 1918 Excerpt: .this line of procedure; and it is interesting to note that this Committee subserves the triple interests of medical war history (for Great Britain), scientific research, and National Health Insurance, i. e., the adjudication of pension claims. The important outstanding themes--cerebro spinal fever, trench nephritis, Mediterranean dysentery, D. A. H., gas poisoning, wound shock, oxygen needs of aviation officers--are not allowed to go stale and languish, but are handled and taken care of now by the proper experts. This idea of interim publication is freely and generously encouraged by our chief, the Surgeon General, and is amply supported by our best medical periodicals. The pages of The Military Surgeon have been accessible for this purpose since the war began. The rest of the American material lies in our hospitals in France, England and Italy, and Colonel McCulloch, executive officer of the board, has recently been detailed to go overseas to establish the administrative ways and means for its ultimate collection and redaction. This may require careful selective scrutiny and consideration of historical reports assembled at headquarters and in hospital, for it is probable that not all of this material can or need be transported overseas at the close of the war. But when this main task of assemblage has been accomplished the rest should take care of itself. In connection with the subjoined, it may be said that tentative plans for the ultimate arrangement and composition of the work have been drawn up, and that special...
