Microcosm Publishing, United States, 2014. Paperback. Book Condition: New. 178 x 130 mm. Language: English . Brand New Book. In the final installment of the greatest love story ever told, about the domestic life of Henry and Glenn as well as their neighbors Daryl and John, we are treated to three new short stories. (similarities to real people must mean those real people have really crazy lives. What a coincidence!) This issue includes the shocking conclusion to the story of Glenn s mother living with them (spoiler alert: zombies), Glenn and Wendy make a daring rescue from Space City after Henry gets a pep talk from Lemmy, and Henry saves Glenn from some giant lizards after his drummer quits. It s a true testament to the power of love to overcome even the biggest, manliest egos of our time. The book also features dozens of pin up art and full color covers from the original serialized series. Will our lovers continue to frustrate, inspire, and show us the way?.
