A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

We can love whomever we choose, achieve any goal, and reach any level of enlightenment. But dreams are only dreams; they end when we wake. What if your dreams could become reality? What if all you wish for truly could come true, whether you were asleep or awake? It is possible. Endless Dreams is a collection of poems intended to open your heart and mind to the love all around you. It is intended to send you down your own path with no fear and no hesitation, just as you would behave if living in a dream world. But what of the nightmares? Would you believe that even the bad can be used for good? Even in tragedy, the fearless path can still be trod. Even in failure, love can be found. In fact, in your tragedies and failures, success can bloom, if only you would see the bad times as opportunities to learn and do good. It is time to pursue your own pleasure. It is time to walk with strength. It is time to finally know yourself. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
