Brand New Book ***** Print on Demand *****.Paisley Notebooks let you keep your notes in one place, no matter how random they may be. The contents section at the front of the book is your roadmap to track where your notes can be found. Use the lined pages in the first section for your dream journal, vacation plans, invention ideas, experiments as a food critic, or the notes for your next novel. Use the storyboard pages in the second section for your sketches, video ideas, web designs, or notes for the presentation that will get you that promotion. Use the checklist pages in the third section for your to-do lists, project plans, gift-giving lists, or your list of favorite books and films. Just don't use it for a hit-list. Use the column pages in the fourth section to track expenses, weigh job options, keep game scores, tally votes, or compare ice cream brands or pizza toppings. Want to add color coding? Grab your colored pencils and color-code to categorize your notes.
