John Page s Poem on the Siege of Rouen; II. Lydgate s Verses on the Kings of England; III. William Gregory s Chronicle of London And it was even conceivable that the real writer and the year of his mayoralty were originally disclosed at the end of the work, which is now lost. But on the whole it seemed to me more probable that this was really Gregory s Chronicle, transcribed and continued by another hand; and on careful examination of the text I found various evidences that tended to confirm me in this opinion. In the first place - though the fact might suggest an opposite inference - it was a little remarkable that in this thirtieth year not only the name of Gregory himself as mayor but also those of the two sheriffs are entered in a manner quite unusual in this narrative. Only the surnames without the Christian name of any one of the civic officers at first stood at the head of this mayor s year, although in the case of Gregory himself the omission has been supplied in a later hand. Not a single other instance occurs in the whole Chronicle in which the Christian names of all three civic officers have been omitted; for, though there are cases in which the sheriffs are mentioned only by their surnames, it is never so with the mayor. Now it is true the omission of a man s own Christian name does not look much like a sign of authorship, for it is a thing that could hardly have...
