Sometimes I like to curl up in a ball So no one can see me because I m so small. A new format for the hugely praised bestseller. Little wombat spends a day doing favorite things-what could they be? Are they your favorites, too? Let s look and see. Soft-toned illustrations portray an endearing little wombat and the warm and friendly world around him. Every page is filled with charming details that stand up to repeated viewings: cute mice, rabbits, and turtles peering from behind tall grass, marching pigeons, and a menagerie of other adorable animals. The images, along with the lyrically rhyming text, combine to make a sweet-spirited bedtime story to ease young ones to sleep.
