Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Books of Historical Importance A Letter to a Friend Upon occasion of the death of his intimate friend Sir Thomas Browne Sir Thomas Browne (19 October 1605 - 19 October 1682) was an English polymath and author of varied works which reveal his wide learning in diverse fields including science and medicine, religion and the esoteric. Browne s writings display a deep curiosity towards the natural world, influenced by the scientific revolution of Baconian enquiry, while his Christian faith exuded tolerance and goodwill towards humanity in an often intolerant era. A consummate literary craftsman, Browne s works are permeated by frequent references to Classical and Biblical sources as well as the idiosyncrasies of his own personality. His literary style varies according to genre, resulting in a rich, unusual prose that ranges from rough notebook observations to the highest Baroque eloquence. Although often described as suffering from melancholia, Browne s writings are also characterised by wit and subtle humour.Sir Thomas BrowneSir Thomas Browne (19 October 1605 - 19 October 1682) was an English polymath and author of varied works which reveal his wide learning in diverse fields including science and medicine, religion and the esoteric.
