## YOUR KEY TO HAPPINESS

Square Circles Publishing, United States, 2013. Paperback. Book Condition: New. 175 x 107 mm. Language: English . Brand New Book. A self-help classic since 1935, this book will help you unlock the secrets to a happy and rewarding life! What is wrong with your thinking? Do you worry about the future-your health, your family, your finances? Do you take life too seriously? Do you lack confidence in yourself and find it difficult to make decisions? In this little volume Harold Sherman answers these questions and many more. Your Key to Happiness is a working manual of creative principles which show you how to operate the great creative power within you, your Subconscious Mind, in order that you may inherit the good things of earth-Health, Happiness and Prosperity. When you know how to control the actions of your Subconscious Mind you are able to solve your problems, overcome your worries and assume a new and optimistic attitude toward life, thus attracting better conditions to yourself. This great Law of Mind-the conviction that the Kingdom of God is within you -is older than Creation. But until you can consciously control the action of your Subconscious Mind you may, unwittingly, be operating it against yourself. As a result you are fundamentally responsible for the troubles that beset you. Harold Sherman gives you a definite method by which the Key to Your Inner Self can open to you a vast reservoir of creative power-power you may never have suspected exists within you. Your Key to Happiness was Harold Sherman s first self-help book and it enjoyed many printings through the years.
