Original publisher: Washington, DC : National Aeronautics and Space Administration, Office of Inspector General, 2002 OCLC Number: (OCoLC)645116255 Subject: Federal aid to research -- United States -- Auditing. Excerpt: . . . Because NASAs guidance was not specific, we established the following as criteria in performing our review to represent the types of documentation needed, at a minimum, to adequately describe the peer review process: Information (such as names, titles, and organizations and signed statements of non-conflict of interest) to show that the peer review panel was qualified and independent. Information on each reviewers rating evaluation of the proposals technical merit and potential to succeed. Individual ratings should support that the overall rating evaluation was reasonable and consistent. A copy of the final, overall rating evaluation supporting the selection including a statement that justifies the rating. Status of Grant File Documentation. None of the grant files for the 108 sampled grants that were peer reviewed contained the peer review documentation required by NPG 1441. 1C or the type of documentation we considered adequate support for the award. Some grant files for grants that were peer reviewed did not contain any documentation of the review. Other grant files contained documentation that only referenced that peer reviews were accomplished. For example, we found award letters to the grantees stating that the proposal was peer reviewed and selected to be funded by NASA. Still other files contained a brief peer review summary that indicated the overall peer review numerical rating and concluded that the proposal should be funded. This information and other documentation in the grant file did not provide enough detail to provide an understanding of how the peer review was done and to verify that...
