Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Unicorn in New York: Louie Takes the Stage!, Rachel Hamilton, Oscar Armelles, It's time for this unicorn to shine! Louie the unicorn has joined the New York School of Performing Arts in search of stardom, but he's yet to land any starring roles, with a big audition coming up, is it finally time for this unicorn to shine? A hilarious series, with a unique visual approach, combining real New York photography with character illustrations. Perfect for readers who love funny fiction and bonkers characters. Dear Mum and Dad, The New York School for Performing Arts is fifty years old this year! Ancient or what? We're going to put on a big show to celebrate. I found out that it's our favourite teacher, Madame Swirler's birthday too, and she's EVEN OLDER than the school! She must've kept it a secret so that we could surprise her, but when I arranged an amazing traffic-halting flash mob to sing happy birthday to her, she was even grumpier than usual! Maybe I should have arranged a confetti explosion too? Anyway got to go, I'll have to think of an even better surprise. Love you more...
