Brand New Book ***** Print on Demand *****.Excerpt from The Geographical Distribution of the Vote of the Thirteen States on the Federal Constitution, 1787-8, Vol. 1 The following paper is one of a series of studies carried on in my seminary in American history, with the design of contributing to an understanding of the relations between the political history of the United States, and the physiographic, social, and economic conditions underlying this history. A preliminary paper by the editor, indicating some aspects of the proposed work, has already been published under the title, The Significance of the Frontier in American History. (Proceedings of the State Historical Society of Wisconsin, December 14, 1893; and Annual Report of the American Historical Association for 1893, Senate Misc. Doc. No. 104, 53d Cong., 2d Sess., in press). It is believed that many phases of our political history have been obscured by the attention paid to state boundaries, and to the sectional lines of North and South. At the same time the economic interpretation of our history has been neglected. In the study of the persistence of the struggle...
