AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****. Hard Hitting provides the most comprehensive and compelling insight into infidelity in general, within committed relationships. It explores all the various strands of emotion, social/societal pressures and inherent/biological factors that lead to infidelity. For example; the author writes naturally, sex is a pleasurable act for men from day one, but a painful act for women on day one. However, just like everything in life there are always some exceptions to the rule . The book provides couples and couples to be with a unique insight into what should be done to reduce infidelity. This book is essential because the cost of separation and divorce to couples, their children, extended families etc, is incalculable. The book suggests that it would amount to courting disaster if couple s sexual compatibility is not given the priority it deserves during courtship, as infidelity accounts for a lot of separations in society today, and it goes further to stress that it is not a coincidence to see that most young people in Mental Health Institutions, prisons and graveyards come from dysfunctional families, some as a result of infidelity leading to seperation and divorce, though sometimes the parting words are there is no third party involved but how definite is this? The book also contains a powerful/moving story tribute to an awesome father illustrating the Author s father impact on his life, though his father died when he was 14. His father was not only a teacher but a wrestler, artist, musician etc, who translated his teachings into music to aid his student s understanding. Most gripping of all is what his father suffered and endured before being allowed to marry his mother....
