## 50 Puzzles for Creative Thinking

By Charles Phillips

Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, 50 Puzzles for Creative Thinking, Charles Phillips, What sets us apart from other forms of life is the ability to think of ourselves and for ourselves. So, although there is no doubt that we think, the real question is: How many of us know how to think to our full potential? Answer: Not many! But now we have the "How to Think" puzzle book series. If you want to boost your brain's performance, and learn how to think clearly and effectively in any given situation, read these books, and tackle these puzzles. Don't get stuck in a rut - free up your creativity. This guide will teach you how to think creatively by calming the critical voice in your head that can sometimes paralyze fresh thought. Scientists tell us that our brains are often more active when we are working with others. Creative thinking will help you develop strategies for thinking cooperatively - not only when you're in a team, bouncing ideas around, but also when you're alone, by seeking inspiration and a fresh outlook from the world around as well as from personal mentors and even written sources. A...
