

Waffen SS at War (1) the Early Years 1939-1943

Filesize: 7.9 MB

Reviews

Completely one of the best ebook I actually have possibly study. It can be writter in simple phrases and not confusing. You can expect to like the way the author write this book.
(Josefa Ebert)

WAFFEN SS AT WAR (1) THE EARLY YEARS 1939-1943

Concord Publications Co ,Hong Kong. Paperback. Book Condition: new. BRAND NEW, Waffen SS at War (1) the Early Years 1939-1943, Robert Michulec, "One of the most memorable and feared symbols of the German war machine of WWII was the Waffen-SS. The name actually means "Armed" (Waffen) Protection Squads" (Schutz Staffeln), and their "SS" initials were portrayed as runic lightning bolts. The "SS" name reflected the force's origins as a political unit to protect senior party officials, but of course it was to develop into a powerful combat entity. A total of thirty-eight Waffen-SS divisions were raised during the course of the Second World War, although many of the late-war divisions were of poor quality or were poorly equipped. The book covers the development of the Waffen-SS from its establishment on 6 December 1939, through to the end of 1942. A second companion volume will trace the Waffen-SS from 1943 through to the close of WWII. The book includes a brief description of how this notorious military organization expanded under the tutelage of Reichsfuhrer der SS Heinrich Himmler. There is a list of the eleven SS divisions formed up till 1942, and a useful table that compares German and U.S. Army ranks and formation names. As suggested by the title of this volume, the majority of the black and white photos portray Waffen-SS soldiers at war. This means there are plenty of good shots showing uniforms, equipment and weapons in the field of combat - all excellent material for figure modelers or military historians. Although not the focus of the book, there are incidental pictures of weapon systems and vehicles in use with SS forces. There are also four high-quality color plates expertly produced by Stephen Andrew. These give readers a glimpse of how uniforms and equipment was worn, and their typical...
