Robert D. Reed Publishers. Paperback. Book Condition: new. BRAND NEW, Daily Intentions, Ann Blakely Rice, "Daily Intentions" is a collection of intuitively written meditations that offers the reader a gentle, spiritual, and thoughtful approach in dealing with everyday problems, difficult emotions, and the high-tech stresses common to us all. Each daily entry reveals an insight accompanied by a simple, spiritual, practical solution or a universal truth that can be easily understood by anyone. Every word in "Daily Intentions" has been divinely inspired and will, in turn, inspire those who read the book, whether they are beginning spiritual seekers, well-seasoned seekers who are already travelling a spiritual path, or those that maintain no particular belief in any Primary Universal Source. The daily entries may serve as a reminder of what the reader already knows deep within his or her soul, as well as offer ways to rediscover their own truth by using the simple techniques suggested in much of the book. Most of the techniques are short meditations and holistic approaches, experientially tested and proven, not only by the author, but also by millions of others throughout history.
