Future Strategies Inc, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Adaptive Case Management is ultimately about allowing knowledge workers to work the way that they want to work and to provide them with the tools and information they need to do so effectively. Thriving on Adaptability describes the work of managers, decision makers, executives, doctors, lawyers, campaign managers, emergency responders, strategists and many others who have to think for a living. These are people who figure out what needs to be done at the same time that they do it. In award-winning case studies covering industries as diverse as law enforcement, transportation, insurance, banking, state services, and healthcare, you have instructive examples to optimize your own organization. This important book follows...
