Oral Pathology and Therapeutics: A Systematic a Systematic Presentation of the Subject from the Standpoint of Modern Therapeutics (Classic Reprint)

By Elgin Whinney

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Oral Pathology and Therapeutics: A Systematic a Systematic Presentation of the Subject From the Standpoint of Modern Therapeutics In nearly all branches of dental science progress has been rapid, and especially in the departments of surgery, operative procedures and prosthodontia, but in the field of therapeutics empirical methods of treatment still abide. This volume is presented with the hope that it may furnish at least a rational scientific basis for the management of many oral diseases the treatment of which constitutes a large part of our professional service. The recognition and prevention of disease and its consequent misery should be the highest aim of all who follow the healing art as a profession. It has been the aim of the author not to burden the volume with needless pathological or histological detail, but rather to present such phases of these subjects as will furnish a scientific basis for practical therapeutics. Treatment of disease without knowledge of its pathology has and always will be a decided failure. Although the preparation of this work has been an...
