Do you ever wonder how in the world you're supposed to teach your children about the true meaning of Easter when there are bunnies hopping around in every store and Easter candy begging to be eaten by little ones? Do you question whether to leave the whole crucifixion part out so you don't scare the younger ones or just try to tiptoe around the miraculous resurrection because it sounds too crazy? Bigger Than the Bunny will help you answer these questions while giving you some practical and fun ways to bring this story to life for your children, as well as for the whole family. Tasha indicates her desire for God's Word to come alive to children. You and your children will be most prepared for all the Resurrection is for us as you use this extraordinary, creative devotional book during the Lenten season. I only wish that someone had provided a book like Bigger Than the Bunny during our children's growing up years. Donna Thompson - Chaplain To Women, Columbia International University Bigger Than the Bunny is an excellent resource that will enable you to teach your children the true meaning of Easter. The activities are applicable to all age levels from preschoolers to older children as well as simple and effective. It's sure to provide a fun learning experience for everyone in your family.
