

## Manual of Composition and Rhetoric (Classic Reprint)

By John Hays Gardiner

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Manual of Composition and Rhetoric The present volume, which has been prepared in response to the wish of many teachers, observes throughout the principle followed in Books I and II of the same series: it considers language in its relation to thought and the expression of thought. Like the previous volumes, it is practical rather than theoretical. It connects the subject of composition with the experiences of everyday life, on the one hand, and, on the other hand, with the study and appreciation of literature. The plan of the book, though simple and transparent, is novel in some respects, and may justify a word of explanation. Part I is in itself an elementary manual of composition. It sets forth, in plain terms, the object and method of the study; it discusses words, sentences, and paragraphs; it explains and illustrates the principles of unity, variety, emphasis, and transition; it treats of the selection and arrangement of material; and it gives abundant practice in writing letters and brief essays. It may be used by younger or older...
